CHARACTER PORTRAIT

NAME

SYMBOL

ALLIES & ORGANIZATIONS

I'm driven by a wanderlust that led me away from home.
I once ran twenty-five miles without stopping to warn to my clan of an approaching orc horde. I'd do it again if I had to.

PERSONALITY TRAITS

Glory. I must earn glory in battle, for myself and my clan. (Any)

IDEAL

I am the last of my tribe, and it is up to me to ensure their names enter legend.

BOND

Don't expect me to save those who can't save themselves. It is nature's way that the strong thrive and the weak perish.

FLAW

You grew up in the wilds, far from civilization and the comforts of town and technology. You've witnessed the migration of herds larger than forests, survived weather more extreme than any city-dweller could comprehend, and enjoyed the solitude of being the only thinking creature for miles in any direction. The wilds are in your blood, whether you were a nomad, an explorer, a recluse, a hunter-gatherer, or even a marauder. Even in places where you don't know the specific features of the terrain, you know the ways of the wild.

BACKGROUND STORY

Wanderer

You have an excellent memory for maps and geography, and you can always recall the general layout of terrain, settlements, and other features around you. In addition, you can find food and fresh water for yourself and up to five other people each day, provided that the land offers berries, small game, water, and so forth.
